

Robot Rally[©] 2006

The Largest Robot Event in the Southeast

SPSU hosts the 10th annual Robot Rally[©]

The Atlanta Hobby Robot Club, in conjunction with Southern Polytechnic State University (SPSU), is hosting the 10th annual Robot Rally[©] on Saturday, May 13th, 2006. See robots, talk with robot builders, witness exciting head-to-head robot competitions, learn all about robots. This year's event features our Final Vacuum Robot contest, a thrilling Mini-Sumo Robot contest, Ant-weight Combat Robots and an innovative Open Robot competition. See new robots - never seen before. Speak with robot builders. Awards* to the winners. Competition is open to the public. To register a robot, sponsor a contest, or for information, visit our web page.
